

## **2003-2022 HIGHWAY SYSTEM PLAN**

### **BRIEFING PAPER**

Prepared for the  
February 2002 Transportation Commission

Prepared by

Elizabeth Robbins, Director, Planning, Advocacy, and Initiatives of Highways and Local Programs and Greg Lippincott, Acting System Planning Branch Manager, WSDOT

### **PURPOSE:**

Present the 2003-2022 Highway System Plan (HSP) for the Commission's adoption.

### **ACTION/OUTCOME:**

The Commission will adopt the 2003-2022 Highway System Plan.

### **BACKGROUND:**

The Highway System Plan is the next step toward implementing the guidance and vision from the Washington Transportation Plan. The current HSP update refinements is focused on increased accountability, strengthening local partnerships, implementing a congestion relief policy, addressing our role in the state's economy, and enhancing environmental programs.

#### ***January 2002***

Elizabeth Robbins and Greg Lippincott presented the Final Draft 2003-2022 Highway System to the commission for review. The commission's direction was to return to the February commission meeting for the adoption of the HSP.

### **DISCUSSION:**

There will be a brief overview of the 2003-2022 Highway System Plan followed by a request to adopt the 2003-2022 Highway System Plan.

### **RECOMMENDATION:**

It is recommended that the Transportation Commission adopt the 2003-2022 Highway System Plan.
